

Jacobs' Team Experience – Haulsey Engineering, Inc. (HEI)

Haulsey Engineering, Inc. Overview

Haulsey Engineering, Inc. (HEI) is an award-winning certified small disadvantaged business (SDB), veteran-owned small business (VOSB) and serviced-disabled veteran-owned small business (SDVOSB) firm. Founded in 1985, HEI's most significant resource is a professional and experienced staff of talented and energetic employees. HEI is a recognized leader in the professional services community with a proven record of excellence in past performance. They have the capability, experience, and resources to respond effectively to a wide array of systems engineering and technical disciplines including integrated logistics support (ILS), information technology (IT), lifecycle engineering/support, reliability, maintainability, supportability (RMS), human systems interface (HSI), systems safety, quality assurance and program office support services. HEI's efforts are directed toward maintaining our reputation for services, professionalism, and quality. HEI was recently awarded the Small Business Administration (SBA) "*Award for Excellence*" (2004).
