NOVATION AGREEMENT
FAR 42.1204
Novation Agreement
Alliant Contract No. GS00Q09BGD0059

The TYBRIN Corporation (Transferor), a corporation duly organized and existing under the laws of Florida with its principal office in Fort Walton Beach, Florida; Jacobs Technology Inc. (Transferee), a corporation duly organized and existing under the laws of Tennessee with its principal office in Tullahoma; and the United States of America (Government) enter into this Agreement as of 30 July 2012.

(a) The parties agree to the following facts:

(1) The Government, represented by a Contracting Officer of the United States General Services Administration ("GSA"), has entered into certain contracts with the Transferor, namely: the Alliant Contract No.GS00Q09BGD0059 (to include Task Order GST0710BG0083 and Task Order Number GST0512BM0018). The term "the contracts," as used in this Agreement, means the Alliant Contract and task orders and all modifications, made between the Government and the Transferor before the effective date of this Agreement (whether or not performance and payment have been completed and releases executed if the Government or the Transferor has any remaining rights, duties, or obligations under this contracts and related task orders). Included in the term "the contracts" are also all modifications made under the terms and conditions of this contract and related task orders between the Government and the Transferee, on or after the effective date of this Agreement.

(2) As of 30 July 2012, the Transferor will transfer to the Transferee entire portion of the assets involved in performing the contract by virtue of an Inter-Company Agreement between the Transferor and the Transferee.

(3) The Transferee will acquire all of the assets of the Transferor involved in performing the contract by virtue of the above transfer.

(4) The Transferee will assume all obligations and liabilities of the Transferor under the contracts by virtue of the above transfer.

(5) The Transferee is in a position to fully perform all obligations that may exist under the contract.

(6) It is consistent with the Government's interest to recognize the Transferee as the successor party to the contracts.

(b) In consideration of these facts, the parties agree that by this Agreement --
(1) The Transferor confirms its commitment to the transfer to the Transferee, and waives any claims and rights against the Government that it now has or may have in the future in connection with the contracts.

(2) The Transferee agrees to be bound by and to perform the contract in accordance with the conditions contained in the contract. The Transferee assumes all obligations and liabilities of, and all claims against, the Transferor under the contracts as if the Transferee were the original party to the contract.

(3) The Transferee ratifies all previous actions taken by the Transferor with respect to the contract, with the same force and effect as if the action had been taken by the Transferee.

(4) The Government recognizes the Transferee as the Transferor’s successor in interest in and to the contract. The Transferee by this Agreement becomes entitled to all rights, titles, and interests of the Transferor in and to the contracts as if the Transferee were the original party to the contract. Following the effective date of this Agreement, the term “Contractor,” as used in the contracts, shall refer to the Transferee.

(5) Except as expressly provided in this Agreement, nothing in it shall be construed as a waiver of any rights of the Government against the Transferor.

(6) All payments and reimbursements previously made by the Government to the Transferor, and all other previous actions taken by the Government under the contract, shall be considered to have discharged those parts of the Government’s obligations under the contract. All payments and reimbursements made by the Government after the date of this Agreement in the name of or to the Transferor shall have the same force and effect as if made to the Transferee, and shall constitute a complete discharge of the Government’s obligations under the contract, to the extent of the amounts paid or reimbursed.

(7) The Transferor and the Transferee agree that the Government is not obligated to pay or reimburse either of them for, or otherwise give effect to, any costs, taxes, or other expenses, or any related increases, directly or indirectly arising out of or resulting from the transfer or this Agreement, other than those that the Government in the absence of this transfer or Agreement would have been obligated to pay or reimburse under the terms of the contract.

(8) The Transferor guarantees payment of all liabilities and the performance of all obligations that the Transferee --

(i) Assumes under this Agreement; or

(ii) May undertake in the future should this contract be modified under its terms and conditions. The Transferor waives notice of, and consents to, any such future modifications.
(9) The contract shall remain in full force and effect, except as modified by this Agreement. Each party has executed this Agreement as of the day and year first above written.
