2.1 Use of Recruitment Site

The sole purpose of this recruitment site is to enable you to submit information ("Submissions") to apply for employment positions with Jacobs. Use of this recruitment site does not create an employment relationship between you and any Jacobs company. You expressly agree that no such employment relationship will be created without further review of the Submission, an appropriate successful interview process, background, drug test (where applicable), reference checks (where applicable), verification of identity and the legal right to work, and issuance and acceptance of a formal offer of employment.

By using the recruitment site and providing Submissions, you agree to transact electronically through the recruitment site. You agree that your electronic signature is the legal equivalent of your manual signature. You further agree that your use of a keypad, mouse or other device to select an item, button, icon or similar act/action, constitutes your signature as if actually signed by you in writing. You also agree that no certification authority or other third-party verification is necessary to validate your electronic signature, and the lack of such certification or third-party verification will not in any way affect the enforceability of your electronic signature.

To access, fulfill and retain the following electronic forms, your computer must be equipped and compatible with the most common operating systems and internet browsers. This would include:

- Windows, Mac OS X, Linux, Apple iOS, and other major operating systems.

If you do not want to use an electronic signature, you will need to contact a Jacobs representative for further instructions.

A copy of the forms the candidate signed will be emailed to them.

After authorizing the use of your electronic signature, you may still withdraw your consent. To do so, you must contact Jacobs for their withdrawal procedures and to understand any consequences or fees which may apply.

You agree that you will neither use the recruitment site in a manner, nor provide any Submission, that: (a) is defamatory, derogatory, degrading or harassing of another or constitutes a personal attack; (b) invades another's privacy or includes, copies or transmits another's confidential, sensitive or personal data; (c) promotes bigotry, racism, hatred or harm against any group or individual; (d) is obscene or not in good taste; (e) violates, infringes or promotes the violation or infringement of another's rights, including intellectual property rights; (f) violates or promotes the violation of any applicable laws or regulations; (g) contains a solicitation of funds, goods or services, or promotes or advertises goods or services; or (h) contains any viruses, Trojan horses, or other components designed to limit or harm the functionality of a computer.
