

SETAC - Toronto

Learn about the latest technical advances from our environmental risk practitioners.

Platform Sessions

Monday, Nov 4 • Room 713A • 10:40 AM

Rachel Zajac, Frank Dillon

The Current State of Ecological Risk Assessment Language: What the heck are we saying and do we expect anyone to understand this?

Tuesday, Nov 5 • Room 718A • 10:40 AM

Christopher McCarthy, Demitria Wright, Kelly O'Neal, Mike Stanaway, Brett Muckey, Christopher Salice, Justin Rewerts, Jennifer Field

Toxicological Response of *Chironomus dilutus* to Six Perfluoroalkyl Compounds

Tuesday, Nov 5 • Room 713B • 3:00 PM

Bradley Sample, Christopher McCarthy, Demitria Wright, Sue Robinson, Alaa Aly

Development of Ecological Risk-based Thresholds for Cs-137 Using Log-Linear Regression-based Bioaccumulation Models

Thursday, Nov 7 • Hall F • 9:00 AM

Krista Barfoot, Andrea Wojtyniak

Contamination and Human Health/Ecological Risk Assessment: Building the Site Strategy

Thursday, Nov 7 • Hall F • 10:00 AM

James Sprenger, Krista Barfoot, Meggen Janes

Statistical Approach to Selecting Contaminants of Concern to Manage Risk and Excess Soil

Thursday, Nov 7 • Hall F • 10:20 AM

Henry Yee, Krista Barfoot, Meggen Janes, Katherine Appleby

Derivation of Sediment Intervention Values to Support the Construction of a new Naturalized River Valley through Former Industrial/Commercial Lands

Poster Sessions

Exhibit Hall • 8 AM - 6:30 PM

Tuesday, Nov 5 • TP069

Shaun Roark, John Gondek, Alex Wilson-Fallon

Avoiding bias in human health and ecological risk assessments by using censored regression methods to develop tissue bioaccumulation models

Thursday, Nov 7 • RP203

Brandi Wilson, James Sprenger, Meggen Janes

Toxicological Assessment of Aquatic Receptors in Surface Water and Porewater

Additional Technical Program Contributions

Monday, Nov 4 • Exhibit Hall (posters) • 8:00 AM

Room 713A (platforms)

Session Chair: Rachel Zajac

Breaking Down Barriers in Science Communication: Methods, Language, and Tools - Let's Get Everyone Engaged

Tuesday, Nov 5 • Exhibit Hall (posters) • 8:00 AM

Room 718A (platforms)

Session Chair: Christopher McCarthy

Understanding Risks from Exposures to Per- and Polyfluoroalkyl substances (PFAS)
